Hi So,

Pursuant to your e-mail below, I have identified 2 areas for your review that appear to have vegetation.
Kindly, let me know if the areas a shown are acceptable to the City so I Can provide the easement documents.

Thank you

Hi Selim,
Yes, as there appears to be no other option. I believe it's in that skinny north/south highlighted area depicted in the HCP. If you believe that it's elsewhere, let's discuss.

Sincerely,

Hi So,

I have not heard from you regarding the switchbacks easements.
Can we carve out the 11 acres that we are obligated to maintain so I can prepare the legal description for it?
Kindly let me know

Thank you
